4. **RESERVATIONS FOR SEMEN (ON THE FARM OR SHIPPED):** The Farm's receipt of the above Stallion Service Fee confirms the Mare's reservation to breed to the Stallion for the Present Breeding Season, which shall extend from January \_\_\_\_\_ (year) until December \_\_\_\_\_ (year).

5. **CONDITIONS:** Stallion services will be provided only to healthy mares in sound breeding condition, as determined by a veterinarian acceptable to the Farm. In signing this contract the mare owner confirms that all required information on the mare and mare's health has and will be provided prior to breeding as identified in the "Breeding Information" for Tower Lane Farm. In the event the mare is barren, the Farm requires the submission of a recent negative intrauterine culture certificate (within 2 months). In some cases the Farm may also require a uterine biopsy and/or Progesterone assay. In all cases, the veterinarian must certify that the Mare's immunizations for equine rhinopneumonitis (equine herpes type 1) have been kept current.
6. **RETURN OF SERVICE:** Purchaser shall not be entitled to a refund of fees paid hereunder except as set forth in 6 below. However, the Mare shall have the right to return to the Stallion service in the following breeding season and in the third breeding season only in the following circumstances:

If the Mare does not settle during the Present Breeding Season, she is eligible for return of service to the Stallion if the Purchaser submits a veterinarian's certificate to that effect. The Purchaser recognizes the Farm's right to require a negative intrauterine culture certificate prior to the Mare's return to service.

If the Mare is examined in foal but becomes barren during gestation, she is eligible for return if the Farm receives a veterinary certificate of barrenness within five (5) days from the date of death.

If the Mare subsequently produces a live foal that is unable to stand alone and nurse, and subsequently dies, a veterinary certificate must be provided within (5) days from the date of death.

In all cases, the required veterinary certificate shall affirm that the Mare had been immunized for equine rhinopneumonitis (equine herpes type 1) during pregnancy and the date of such vaccination. Where appropriate, the certificate shall also confirm that the Mare was properly cared for during gestation and was attended at foaling. The Farm's timely receipt of the required veterinary certificates is a condition precedent to any right of return.

If the Purchaser's mare becomes unfit for breeding or otherwise unbreedable, purchaser may substitute another mare. Purchaser must request this change in writing.

All rights of return to the Stallion are subject to prepayment of costs as set forth in 3 above.

7. **RETURN OF FEES:** This contract shall be null and void and the Purchaser shall be entitled to a refund of any amount paid hereunder if the Stallion should die, is sold, or becomes unfit for service prior to serving the Mare in the Present Breeding Season. The Purchaser shall not be entitled to any refund if the Stallion should die, or become unfit for service after semen has been shipped or in any subsequent breeding season.

8. **NON-ASSIGNMENT:** this contract cannot be assigned or transferred by Purchaser. There shall be no right of return to the Stallion if the mare is sold or otherwise changes ownership after having been served by the Stallion.
  
9. **WARRANTY:** The Farm is not responsible for lost, delayed, or damaged semen and makes no representations or warranties of any kind with respect to any semen furnished hereunder except that it is the Stallion's. ALL WARRANTIES OR MERCHANTABILITY AND FITNESS FOR PURPOSE ARE HEREBY EXCLUDED.
  
10. **GOVERNING LAW:** This contract shall be governed by the laws of the State of Washington and shall be binding upon the parties hereto and their personal representatives.
